

# WHAT MAKES QUEEN'S SUMMER SCHOOL SO SPECIAL?

## AN AUTHENTIC LEARNING ADVENTURE

Queen's Summer School offers an immersive, exciting range of fun and engaging activities designed to make every day an adventure. Led by the expert teams at Queen's Lingua and Queen's Centre, our program combines learning, sports, pool activities and creativity in an inspiring environment.

## A MULTICULTURAL EXPERIENCE

Non-Spanish speakers will enjoy a fully immersive English program, exploring exciting new topics each week while making friends from around the world. Beyond the classroom, they'll have the unique opportunity to interact with Spanish-speaking children, creating a natural introduction to the Spanish language.

## SPANISH AS A FOREIGN LANGUAGE (OPTIONAL\*)

Children in **Happy Campers (2022-2020)** and **Explorers born in 2019** will have the option to join a special program that enhances their Spanish as a foreign language through a daily session specifically designed for young learners who are not native Spanish speakers.
